

3 PILLARS EQUESTRIAN

Hosted by Bow Brickhill Stables

Melanie Smith-Taylor & Greg Eliel

From the Ground to Grand Prix.

Join Olympic Gold Medalist Melanie Smith-Taylor and Master Horsemanship Clinician Greg Eliel for 3 days of groundwork, flatwork and jumping.

Performance, it all boils down to performance.

Performance is a combination of feel, timing and balance. Spend 3 days with Melanie and Greg, and take advantage of a rare opportunity to enhance you and your horse's performance from the ground up. Their combination of teaching both horsemanship ideals and technical skills will help you build trust, resulting in better communication and a stronger connection with your horse. They can give you the tools to prepare your horse, mentally and physically, so he can perform his best.
